Lead Time	Assets due: 5 business days prior to the campaign's launch date

Tips for saving images:
- Always save images at the highest quality possible (within the specified file size)
- PNG files tend to be higher in size so if you're having trouble keeping the image under the specified file size, try saving it as a jpg at a high resolution
- When saving an image to our spec sizes, do not size and image up and save it, this will cause your image quality to go down
